## Official Announcement.

### Transition to Zexfro International Ltd

Dear Valued Clients and Business Partners,

We are pleased to share an important milestone in our business journey. Since 2018, we have been operating successfully as a proprietorship export-import business, serving our valued buyers and suppliers with dedication and integrity. With your continuous trust and support, our business has grown steadily over the years.

We are delighted to announce that in 2025, our company has officially been transformed from a proprietorship into a Limited Company under the name Zexfro International Ltd. This transformation marks a new chapter for us, strengthening our legal structure, transparency, service capacity, and long-term commitment to our partners worldwide.

From now on, all business transactions, agreements, communications, and financial dealings will be conducted under Zexfro International Ltd. We kindly request our respected clients and vendors to update your records accordingly and continue your valued cooperation with our limited company entity.

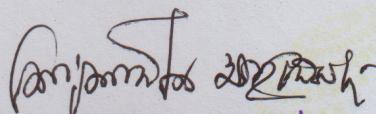

In addition, we are proud to declare 14 September as the official Anniversary Day of Zexfro International Ltd, which we plan to celebrate every year as a symbol of our growth, trust, and partnership with you.

We sincerely appreciate your continued support and look forward to building even stronger business relationships with you through Zexfro International Ltd. If you have any questions or need updated company documents, please feel free to contact us.

Thank you for being a part of our journey.
